Chogara11@hotmail.com
Chogara11@yahoo.fr

Climate change technology negotiator and expert, meteorologiste, it engineer, sales engineer, air traffic and NGHG expert for Chad .

SKILLS

- Climatology, meteorology, hydrology, environment, database management;
- skill to use of 2006 IPCC Guidelines for National Greenhouse Gas Inventories;
- Climate change technology negotiator.
- Analysis and coordination of studies related to climate change
- Numerical modeling, data processing, and Met forecasting
- Languages: French, English, Arabic

CERTIFICATES AND DIPLOMAS

2019:

Certificate of completion on green economy in the context of sustainable development of the WGEO "executive training" held in Madrid from 10 to 11 December 2019;

Certificate of completion from Henley Business School on leadership and NHMS management training workshop organized by WMO and SAWS which held from 18 to 22 November 2019;

Certificate of participation on Climate Diplomacy training workshop for the African LDCs climate change Experts; co organized by environment , forests and climate change commission of republic Ethiopia, UNDP and Norwegian government held in Addis Ababa from 25-27 July 2019.

2018:

- Certificate of Completion of ICAO English Language Proficiency Test for having achieved ICAO English level 4 requirements;
- Certificate of participation in the TRAINING WORKSHOP organized by academy of science of South Africa; the world academy of science; American association for the advancing of science(**ASSAf-TWAS-AAS**) on Science and Diplomacy, held between 21 and 25 may 2018, in Pretoria, South Africa;

- o Certificate of completion of the regional training workshop of the European capacity building initiative training and support, held from 11 to 13 April 2018, in sally, Senegal.

2017:

□Certificate of completion to online training programme for the review of experts for the technical review of information reported in biannual reports and national communications for non-annex I parties on: general and crosscutting aspect and politics and measures of the review;

□Certificate of completion to the junior negotiators training workshops in Addis from 16 to 20 October 2017 organized by Least Developed Countries;

□Certificate of completion to the Africans regional training programme on national adaptation plan process which held in Rabat by UNFCCC and UNDP from 25 to 27 September 2017;

□Certificate of completion on climate change diplomacy: negotiating under the UNFCCC from 7 March to 17 April 2017;

□Certificate of enrollment and undertaken the online training course on GHG inventories by Consultative Group of Experts on National Communications from non-Annex I Parties (**CGE**);

□Certificate of enrollment and undertaken the online training course **UNFCCC** on reporting requirements and Introduction to climate change by Consultative Group of Experts on National Communications from non-Annex I Parties (**CGE**) by CGE on 11 February 2017.

2016:

Certificate of Completion of the regional training workshop of the European Capacity Building Initiative Training and Support Programme organized by the International Institute for Environment and Development (IIED) on 15-16 June 2016 in Dakar, Senegal;

□certificate of Training Course of climatology, foundation for climate services. Held at meteo France –national school of the meteorology, Toulouse, France from 30/05 to 10/06, 2016;

□Online Certificate of Completion in climate change diplomacy : negotiating effectively under the UNFCCC from United Nations institute for training and research (**UNITAR**) from 7 March to 17 April 2016.

2015:

□Certificate of attendance in training workshop on Climsoft database management configuration, N'djamena, Chad organized by AGRHYMET

□certificate of participation to LDC Climate Change Negotiators Training Workshop, Bangkok, Thailand by UNEP.

□Online training certificate of participation of climate change Diplomatie negotiating effectively under the UNFCCC by UNITAR

2014:

□ **Certificate of ICAO level 4 of aviation English** from African school for meteorology and civil Aviation (**EAMAC**)

2013:

□ **certificate in approach control**

□ **certificate in Intermediate level of English language** from East African school of aviation (Kenya)

2012 :

□ **certificate of aerodrome control**

2011 :

□ **Bachelor's degree in telecommunication engineering** from higher Polytechnical Institut of « la francophone » in Ndjama

□ **Bachelor's degree in business administration** Higher International Institute of Management (HIMI), Oran, Algeria.

2010:

□ **bachelor's degree level in meteorology** from Hydrometeorological Institute for training and research HMTR, Oran, Algeria.

EDUCATION AND TRAINING

AIR TRAFFIC CONTROLLER (KENYA)

- **2013-2014: approach controller** at East African School of Aviation in Kenya (EASA);

- **2012-2013: aerodrome control** at East African School of Aviation Kenya (EASA);

- **2012-2013: basic aerodrome** at East African School of Aviation Kenya (EASA).

TELECOMMUNICATION

-**2010-2011: bachelor's degree in Telecommunication engineering** at polytechnic Institute « la Francophonie » N'Djamena/Chad;

MANAGEMENT

-**2009-2011: bachelor's degree in business Administration** Higher International Institute of Management (HIMI), Oran, Algeria and in collaboration with Paris Graduate School of Management (PGSM);

METEOROLOGY

2007-2010: bachelor's degree in meteorology from Hydro-Meteorological Institute for Training and research HMTR, Oran, Algeria

2003-2004: Baccalaureate of 2nd-degree education serie « D » from University of N'djamena.

Professional experiences and Positions held

2019(to 15 July 2019): nominated by decision N°108/PR/MEEP/2019 as Chad National Focal Point of Climate Change.

Since 2018: Nominated on behalf of the **LDC** as **CTCN** Advisory board member.

Nominated by Decree No. 989 / PR / PM / MIDAC / 2018 as Deputy Director General of the National Meteorology Agency at the Ministry of Civil Aviation and of the National Meteorology.

2018:

Nominated as communication and outreach expert of **WMO** Commission for Climatology ;

2016 :

□nominated by decree No. 35 / MEP / SG / 2016 as member of the committee of the Operational Seeding Clouds **OPEN**;

□nominated by decision N° 34 / MEP / SG / 2016 as Member of the Inter-ministerial Committee on Climate Change for Chad.

2015(up to June 2019)

□Appointed on a joint decree between the Ministry of the Environment Agriculture and the Ministry of Transport Infrastructure and of Civil Aviation as 2nd National Focal Point of Climate Change (**UNFCCC**);

2014 :

□Appointed on an ordinance from Ministry of Transport Infrastructure and of Civil Aviation as deputy National Focal Point of Climate Change (**UNFCCC**)
Appointed by a decree as IPCC National focal point (Intergovernmental Panel on Climate Change);

□members of the commission climatology under **WMO** as reporter on climate observation networks in OPACE1 up to **2018** ;

□Appointed by the mean of Decree No. 162 / PR / PM / MACMN / 2014 as Director of exploitation and of the Meteorological Applications by Ministry of Civil Aviation and of the National Meteorology.

2013:

□Assigned to the direction of the fight against climate change

2011:

□Appointed on a regular basis as Chad civil servant of the Public Service by mean of decree No. 1036 / PR / PM / TPM / SG / DGFP / CAPB / SRP / 121 of April 4, 2011 as engineer of work in (meteorology) , category A ,class 1, in

Ministry of Environment , fishery and of holistic resources and transferred to the Ministry of Civil Aviation and Meteorology by mean of decree No162 / PR / PM / MACMN / 2014.

Publications and Contributions to Publications

Progress must be made locally and internationally, to create an environment where climate action and access to energy are congruent goals in LDCs:

July 2018 LDC strategy meeting in Bangkok Thailand from 05 to 07 September;

May 2018 attended the regional workshop on Science Diplomacy in Sub-Saharan Africa region in South Africa;

□ **May 2018** participated Bonn climate change conference SB48 from 24 April to 10 May 2018, Bonn, Germany.

□ **September 2017:** attended the junior negotiators training workshops in Addis from 16 to 20 October 2017 organized by Least Developed Countries;

November 2017 attended Climate Change conference COP23 as Chad party deputy head of negotiators from 6 to 17 November 2017 in Bonn, Germany;

□ **October 2017:** attended the Africans regional training programme on national adaptation plan process which held in Rabat by UNFCCC and UNDP from 25 to 27 September 2017;

□ **March 2017:** attended workshop on capacity building initiative for transparency co organized by UNDP and UNFCCC which held in Copenhagen, Denmark;

□ **November 2016** attended COP 22 as Chad party deputy head of negotiators from 1 to 18 November 2016 in Marrakech, Morocco ;

October 2016 attended 44th session of the IPCC as national Focal point of IPCC, in Bangkok, Thailand from 17 to 20 October 2016 ;

October 2016 attended as LDC senior negotiator a training workshop for the preparation of the group for COP 22 from 8 to 9 October 2016 in Bangkok Thailand ;

2016: attended a regional training workshop on Climate Change hosted by European Capacity Building Initiative Training and Support Programme organized by International Institute for Environment and Development (IIED) on 15-16 June 2016 in Dakar, Senegal;

2016: attended a training workshop on climatology, climate Foundation for Climate services, France -Ecole Nationale de la Meteorologie, Toulouse, France from **30/05 to 10/06, 2016** ;

2016: Chad deputy head of Negotiator for the 44 sessions of the Subsidiary Body, in Bonn in Germany (SB 44) ;
;

2016:14 to 18 March , attended The Africa Regional Workshop on the Building of Sustainable National Greenhouse Gas Inventory Management Systems, and the Use of the 2006 IPCC Guidelines for National Greenhouse Gas Inventories Maseru, Lesotho

From **23 September to 12 December 2015**, attended the 21th Conference of Parties (COP21) as deputy head of the negotiators ;

From **5 to 8 October 2015**, attended the 42nd session of the Intergovernmental Panel on Climate whom I was accredited to vote on behalf of my country in the various elections that took place during that session, in Dubrovnik, Croatia;

From **September 29 to October 2, 2015**, attended a workshop for African negotiators (AGN) for COP21 in Khartoum in Sudan;

From **September 14 to October 25, 2015**,online Certificate of participation climate diplomacy o for junior negotiators under the UNFCCC by UNDP and UNITAR ;

September 09, 2015, I attended the global carbon Forum for a low carbon economy, transition in South Korea, Seoul;

From **27 to 31 August 2015**certificate of Training on the LDC negotiators by UNDP and UNITAR in Bangkok, Thailand;

From **26 May to 11 June 2015**, attended the Bonn conference on climate change in the following sessions: The 42th session of the Subsidiary body Scientific and Technological Advice (SBSTA 42); Forty-secondsession of subsidiary body for Implementation (SBI 42); And the second session of the ninth part of ad-hoc Working Group on the Durban platform for enhanced action (ADP 2.9) in Bonn, Germany;

From **4 to 5 May 2015**, participated in a regional workshop for communication and sensitization on the results of the fifth assessment report of the Intergovernmental Panel on Climate Change (IPCC) held at the center conference in Rabat, Kingdom of Morocco;

From **16 to 23 April 2015**, attended a strategy meeting of LDCs (18 in 21); a session on the national level of exposure adjustment NAP EXPO (16 to 17); and

a session Co-organized by LEG and AC (dial adjustment) in order to share knowledge and idea under climate change in Bonn in Germany. ;

January 2015 attended the Geneva conference on climate change in the following sessions: The 41th session of the Subsidiary body for Scientific and Technological Advice (SBSTA 41); Forty-first sessions of the subsidiary body for Implementation (SBI 41) and the second session of the eighth part of the Working Group on the Durban platform for enhanced action (ADP 2.8) in Geneva, Switzerland;

From **April 28 to May 3, 2014**, attended a seminar of Central Africa region on meteorological weather services experts of WIGOS / WIS in which I presented Chad weather stations networks; in Brazzaville, Congo;

From **6 to 13 September 2014** attended the 11th EUMETSAT Users Forum in Africa on the use of satellite products and updating of the PUMA 2010 and AMESD station (e-station) by the MESA project;

From **15 to 18 September 2014** attended a meeting of the NFPs working group of on the future work of the IPCC; Geneva, Switzerland;

From **12 to 16 January 2015** training on climsoft data management software of climate data organized by ACMAD under ISACIP project which held in N'Djamena, Chad

TELECOMMUNICATION

Engineer degree in telecommunication (IPv4 / IPv6); good skills in Excel, Word, PowerPoint, Access; able to work with R and Homer, management software data in computing and homogenization of data and metadata; good Knowledge on, IPCC 2006 software on GHGI.
